*Away with cellulite and centimetres!*

**Endermologie® - LPG Systems**

*This unique, whole body approach stimulates your body to reduce the appearance of cellulite while reshaping your figure.*

*It is the ultimate advancement in body contouring and skin conditioning.*

*This reshaping technique efficiently produces results using a refreshing non-surgical procedure applied through a course of weekly sessions.*

*It enhances skin condition and goes where no other available treatment can (without surgery) in combatting fatty deposits that causes cellulite.*

*Endermologie® is a non invasive & painless treatment for controlling cellulite, toning the skin and contouring the body.*

*Excellent results have been achieved with the treatment to loose centimeters where it matters.*

*The procedure is de-stressing and relaxing and can be used to treat loose skin (e.g. on tummies after pregnancies or after severe weight loss).*
